Table 2 Additional Items to Be Purchased

ITEM	DESCRIPTION	APPROXIMATE COST
Stethoscope	Single or double tube. Rotatable head with an adult sized bell and diaphragm. If possible, get one that comes with different earpieces (hard and soft) so you can determine which type works best for you. <u>DO NOT</u> purchase a Littmann Master Clinic II Stethoscope (bell and diaphragm in one). This is not appropriate for beginning nurses. (Reference diagram on page 2)	Available at UP Bookstore – all meet requirements. Prices range from ~\$32-140. We recommend waiting to purchase a “high-end” stethoscope until after graduation.
School of Nursing Clinical Patch	See above	Available at UP Bookstore. ~\$4 per patch (You are required to purchase two).
Wrist Watch	See above	Varies

How to Attach the School of Nursing Clinical Patch

Purple Scrub Top

Iron the School of Nursing patch on the left shoulder of ALL scrub tops. Secure with same color thread as the border. Patch should be placed an equal distance between the shoulder seam and the bottom of the sleeve. If the scrub top does not have a shoulder seam, the patch should be placed an equal distance between the top of the shoulder and the bottom of the sleeve.
