LIST OF ITEMS TO BE PURCHASED

The following equipment must be purchased prior to the first day of the Nursing Program:

ITEM	REQUIRED OR OPTIONAL	DESCRIPTION	APPROXIMATE COST
Stethoscope	Required	Single or double tube. Rotatable head with an adult sized bell and diaphragm. You will also need a pediatric size bell and diaphragm. If possible, get one that comes with different earpieces (hard and soft) so you can determine which type works best for you. **DO NOT** purchase a Littmann Master Clinic II Stethoscope (bell and diaphragm in one). This is not appropriate for beginning nurses.	Available at UP Bookstore Prices range from $21.98 to $96.98. We recommend waiting to purchase a "high-end" stethoscope until after graduation.
School of Nursing Clinical Patch	Required	See attached instructions	$3.68 per patch (You will be required to purchase 3) Available at UP Bookstore
Wrist Watch	Required	Must be analog (non-digital) wrist-watch with second hand.	Varies

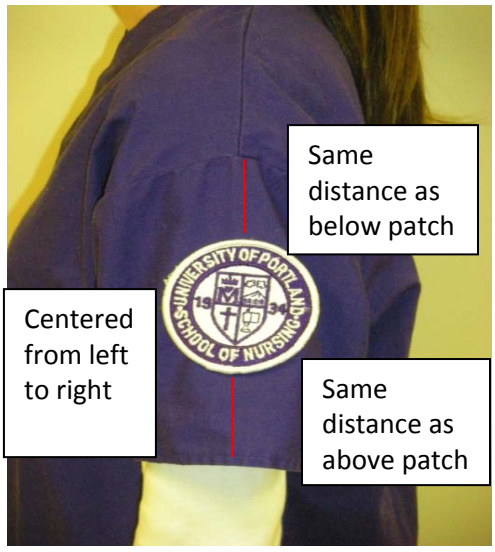

HOW TO ATTACH THE SCHOOL OF NURSING PATCH

WHITE LAB JACKET

Iron the School of Nursing patch on the left shoulder of white lab jacket. Secure with same color thread as the border. Patch should be 3” down from the shoulder seam of the jacket and centered from left to right.

PURPLE SCRUB TOP

Iron the School of Nursing patch on the left shoulder of ALL scrub tops. Secure with same color thread as the border. Patch should be placed an equal distance between the shoulder seam and the bottom of the sleeve. If the scrub top does not have a shoulder seam, the patch should be placed an equal distance between the top of the shoulder and the bottom of the sleeve.
